MY REAL-WORLD MONEY MISSION

Financial Planning & Budgeting Workbook • Grades 4–6

MISSION #1

Student Name: _____ **Date:** _____

Step 1: Choose Your Career & Calculate Income

Welcome to your real-world money mission! Today, you get to step into the shoes of a working adult. Pick a career path below or create your own, then calculate your monthly earnings.

🎨 Graphic Designer	**$25 / hr**	💻 Software Developer	**$40 / hr**
🩺 Veterinary Tech	**$22 / hr**	🍕 Chef / Restaurant Owner	**$28 / hr**

My Chosen Career:

Job Title: _____ Hourly Wage: $ _____ / hr

Income Math Calculation 🧮

Work Rules: 40 hours per week × 4 weeks per month

1. Weekly Pay Calculation:	$ _____ × 40 hrs = $ _____
2. Monthly Gross Income:	$ _____ × 4 weeks = $ _____

💰 **Total Monthly Income (A): $_____**

This is your total earnings pool before paying any bills or rent!

STEP 2: HOUSING & TRANSPORTATION

MISSION #2

Every adult needs a place to stay and a way to get around!

Housing Expenses 🏡

Choose your living arrangement:

☐ Cozy Apartment ($1,000/mo) ☐ Townhouse ($1,400/mo) ☐ Single Family House ($1,800/mo)

1. Selected Rent / Mortgage Amount: $ _____
2. Basic Utilities (Electricity, Water, Gas, Trash): **$ 150.00**

Total Housing Subtotal: $_____

Transportation Expenses 🚗

Select your mode of transportation:

☐ Personal Car ($350 payment + gas) ☐ Public Transit Pass ($80/mo)

1. Car Note / Lease (or Bus Pass): $ _____
2. Fuel / Gasoline Costs: $ _____
3. Auto Insurance: $ _____
4. Maintenance & Repair Fund: $ _____

Total Transportation Subtotal: $_____

STEP 3: LIFESTYLE & SAVINGS

Plan for food, daily essentials, fun stuff, and saving for the future!

MISSION #3

Daily Living & Lifestyle Bills 🛒

🛒 Healthy Groceries & Food:	$ _____
📶 High-Speed Internet / Wi-Fi:	**$ 60.00**
🎬 Streaming Services & Gaming Pass:	**$ 30.00**
🍦 Fun Money (Eating out, hobbies, movies):	$ _____

Pay Yourself First! (Savings Target) 🐷

💡 **Financial Pro-Tip:** Always set aside money for unexpected emergencies or big future goals *before* spending money on extra fun!

Monthly Savings Target: $ _____

Total Lifestyle & Savings Subtotal: $_____

STEP 4: THE GRAND TOTAL & COMPARISON

FINAL STEP

Time for the ultimate financial check: Do your income and expenses balance?

Budget Summary Table

Category Description	Monthly Total ($)
TOTAL MONTHLY INCOME (A)	**$**
Housing Subtotal (Rent + Utilities)	$
Transportation Subtotal (Car/Bus + Gas + Insurance)	$
Lifestyle & Savings Subtotal	$
TOTAL MONTHLY EXPENSES (B)	**$**

1. Savings Percentage

(Savings Amount ÷ Total Income) × 100

_____ %

2. Net Remaining Cash

Income (A) − Total Expenses (B)

$ _____

Mission Reflection Questions 🧠

1. Is your final net cash number **positive** or **negative**? If negative, what expense could you reduce?
2. Which single category was your largest overall expense?
3. If your car needed an emergency repair of $150, would your monthly budget cover it?
